TITLE OF THE THESIS: Staphylococcus epidermidis Adhesion and Biofilm Formation onto Biomaterials

SUPERVISOR: Professor Rosário Oliveira

CO-SUPERVISOR: Doctor Pilar Teixeira

CONCLUSION YEAR: 2008

PhD in Chemical and Biological Engineering

THE INTEGRAL REPRODUCTION OF THIS THESIS IS ONLY AUTHORIZED FOR RESEARCH PURPOSES, PROVIDED PROPER COMMITMENT AND WRITTEN DECLARATION OF THE INTERESTED PART.

University of Minho, 3rd September 2008
